Please answer the following questions as accurately as possible. Some of this information will be used in the yearbook. List any activities in which you have been involved in your school, your church, or the community and put beside the activity the number of years you have participated. If the organization uses initials as a name, please write out what they stand for. Return by **August parent meeeting**. You may do this on computer if you like. Put an asterisk beside those activities that you particularly want included in the yearbook, since we have limited space.
